WELCOME TO WASCAE

DR. NANCY A. BILICICH
DIRECTOR

ERIC SAAVEDRA
ASSISTANT DIRECTOR

Welcome to the 2023 Fall Semester!

Welcome to Fall 2023. We would like to introduce our new Assistant Director Eric Saavedra. He has experience from San Mateo Adult School and Pacific Grove Adult school. We are so happy he decided to join the Watsonville/Aptos/Santa Cruz Adult Education. We would also like to thank our students, teachers, and staff for their dedication and to the families and businesses in our community for supporting our programs.

During the Spring semester, Watsonville/Aptos/Santa Cruz Adult Education had a review from WASC, the accrediting institution. They were very supportive of our school while interviewing students, staff, and community members resulting in our WASC accreditation until 2026.

Health and safety is a concern of all students and staff. Teachers are being instructed to keep their doors locked. Staff and students need to be aware of their surroundings. We continue to follow the California Department of Public Health (CDHP) guidance to ensure our students and staff stay healthy and safe.

The Cosmetology class will start another cohort in August. Sign up today! This is the only Cosmetology Program in Santa Cruz County and we have two instructors. This 1000 hour program will lead to the opportunity to test for the State license and work in our community. Our program has State approval from the Board of Barbering and Cosmetology in Sacramento. Visit our new salon/classroom at our Watsonville Downtown Center (WDC) on Rodriguez Street. For language learners, we continue to develop Integrated Education and Training programs that help prepare language learners with workforce skills as students acquire English language skills. We are working to help our students transition to Cabrillo College through our partnership with the GOAL (Greater Opportunities for Adult Learners) Consortium. Our Health career options are strong and expanding and we have a track record of helping our graduates attain employment with opportunities for growth. Check out our health career training programs: Certified Nurse Assistant, Clinical Medical Assistant, Dental Assistant, Pharmacy Technician, Administrative Medical Assistant, and Personal Care Assistant. All of us need health care – be part of the solution! Challenge yourself and get involved with your education. Set a goal for yourself and explore the Career and Technical Education (CTE) courses we offer to help you gain employment, find your career of choice and get on the pathway to college. In the brochure you will see classes offered in six areas:

1. Elementary and Secondary Basic Skills, including classes required for a High School Diploma or High School Equivalency Certificate (GED and HiSET)
2. Classes and courses for immigrants in Citizenship, English as a Second Language and workforce preparation classes in basic skills
3. Education programs for Adults with Disabilities
4. Short-term Career Technical Education Programs with high employment potential
5. Adults training to support child school success
6. Fee-based Community Education

Adult Education will improve your employability and economic mobility. Finish your high school diploma or GED/HiSET today, a prerequisite to the Cosmetology, medical, pre-apprenticeship programs. Watsonville/Aptos/Santa Cruz Adult Education is the only Pearson-VUE (GED) Testing Center in Santa Cruz County! We are located at the Green Valley Center and offer the GED test and other California Teacher Credential Exams such as the RICA, CBEST, CPACE, CSET and CTEL. All tests are completed on computers. Sign up today to complete your high school equivalency. We also offer the HiSET Exam as an alternative to the GED. Call us at Green Valley Center at (831) 786-2160 or at the Santa Cruz Center at (831) 429-3966 for details.

On behalf of the faculty and staff at Watsonville/Aptos/Santa Cruz Adult Education, we invite you to take advantage of the dynamic learning environment and broad range of courses offered at the school. Select your classes and join us today!

PARENT EDUCATION THROUGH WATSONVILLE COOPERATIVE PRESCHOOL

Come join your child in his/her preschool education! WASCAE Programs are non-profit parent participation preschools that have been offering quality education to both children and parents since 1950. On top of providing a developmentally appropriate preschool experience for children, we also offer a family-centered parent education program with an emphasis on honing effective teaching and parenting skills designed to improve childrens' academic success. This is achieved through weekly practice working in our preschool lab, and reinforced through parent meetings where information on child development, parenting techniques, and best educational practice is presented. Parents learn to work as co-teachers in the classroom and in a K-8 school setting. The purpose of the class is to provide the best possible environment for the development of the young child and at the same time assist parents in understanding and enjoying the growing process. For additional program information or for information regarding space availability for Fall 2023 enrollment, call your closest preschool.

Watsonville/Aptos/Santa Cruz Adult Education celebrated 95 successful years in the community! The school was founded in 1928 and it originally was designated as an "Evening High School." Watsonville has a long and proud tradition of welcoming immigrants, from the Serb and Croatian farmers who built the orchard industries in the 20's , to the Portuguese and Sicilian fisherman, Japanese truck farmers and Chinese strawberry and railroad workers of the 20's and 30's, the Filipino "dollar-a-day" farm workers of the 30's, through the last half century of Latinx or Hispanic immigrants who have worked the canneries and the fields.

In 2015, Watsonville/Aptos Education expanded to include Santa Cruz and now encompasses the entire county. Students are also served in Monterey County. It is a division of the Pajaro Valley Unified School District and continues to expand and grow, and thus, becoming a great resource to the community.

In 2016, Watsonville/Aptos/Santa Cruz Adult Education was recognized as the "Organization of the Year" by the Pajaro Valley Chamber of Commerce and Agriculture. We are very humbled by this recognition. This special award means so very much to the staff and students of the community.

In 2020, we experienced the COVID 19 pandemic and continued to serve students virtually. In 2021-2022 we started back to in-person instruction and have continued to grow. Please join us!

In May 2023, graduation took place in the Mello Center with 103 students earning their high school diploma GED, medical, pre-apprenticeship, and cosmetology certificates. 20 students completed their studies for citizenship. Watsonville/Aptos/Santa Cruz Adult Education is a strong adult school provider in Santa Cruz County and parts of Monterey County.

In the 1960's, Federal Adult Education legislation expanded Adult Education funding and the role in response to addressing the inequities of educational disadvantages of millions of adults as part of the antipoverty program and the civil rights movement. At that time, functional illiterates made up approximately 14 percent of California's population over the age of twenty-five. It is now estimated that 25 percent of our population is under-skilled. Watsonville/Aptos/Santa Cruz Adult Education is a Western Association of Schools and Colleges accredited High School. The 70's marked the birth of competency based education for EL (English Learners), Adult Basic Education, and Secondary Education in Adult Education and accountability in the 80's and 90's. Preparing students for better jobs, to be better parents, involved citizens, and informed consumers, has been added to WASCAE's Mission. Health careers are in demand and WASCAE continues to expand these course offerings. The Certified Nursing Assistant (CNA) Program has been very popular as well as the Clinical Medical Assistant Program(CMA). We also offer Continuing Education Units for Certified Nurse Assitant and Dental Assistant Program which are necessary occupations in the Health Field. Join us today!

We wish to take this opportunity to thank the many community members who continue to support Watsonville/Aptos/Santa Cruz Adult Education with scholarships and other donations.

Textbooks and supplies are nonrefundable. There is a \$25.00 fee for returned checks. Refunds are processed per semester, *only in the semester the class was scheduled*.

SMOKING POLICY

Smoking is not allowed on any school campus within Santa Cruz County, including Watsonville/Aptos/Santa Cruz Adult Education. This means that you may not walk outside the door and light a cigarette. Smoking is not permitted on school grounds.

UNIFORM COMPLAINT PROCEDURE

The Governing board recognizes that the district is responsible for ensuring that it complies with state and federal laws and regulations governing educational programs. The District shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on ethnic group identification, religion, age, gender, color, or physical or mental disability in any program or activity that receives or benefits from state financial assistance. The district shall also follow uniform complaint procedures when addressing complaints alleging failure to comply with state or federal law in adult basic education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs. (Title 5, Section 4621)

The Board encourages the early, informal resolution of complaints at the site level whenever possible. Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures. The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation process before beginning a formal compliance investigation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations. (Title 5, Section 4631).

The Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. (Title 5, Section 4621). The Board prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination or participation in complaint procedures. Such participation shall not in any way affect the status, grades or work assignments of the complainant.
